

MIND OVER MURDER

My story is about a man who has lost everything, now he's lost and fed up with his life. He wants a better life for himself and his wife but he all his hard work come to nothing. He is frustrated. Now he just wants to leave this mean world. One night he is sleeping with his wife in his room and he saw a dream.

Characters:

1. A MAN of age 30
2. A WOMEN of age 26
3. A MESSENGER
4. And ZAMEER , he is not the part of the story he will be singing the song in background I mean A MAN will not be doing Lip-sync.

The song starts..... Zameer starts singing after 26 seconds

In the beginning of the song we will be able to show our viewers that person (the main character of the story) is going here and there for jobs and all companies he tried gives him one answer "We are sorry we can't help you" or we can show how he is trying hard.

Now he saw himself in his dream and he is walking all alone in a dark street, no light, no one out there. He saw here and there but he founds no one out there. A messenger comes to him and hand over him the page on which it was written

*Don't worry brother, please.

I'll give you fields of gold,

Money for your widow

And 70 virgins for you"*

He has a strange smile on his face and as soon as he looks the messenger , the messenger disappears. Zameer will be shown in the video standing on a top building or laying on ground somewhere or walking alone with his guitar. At this point where the messenger disappears Zameer is singing the next two lines. And the part of the song after that The man looks on the building on right and left but strangely whenever he looks to a building it disappears.(remember it's a dream anything can happen)

Now the camera moves to A MAN and the SONG moves to that part where Zameer is singing I m not a bad man u see..... THE MAN looks up in the sky (in background music the Zameer singing the above line)

And when Zameer says I just want you all to feel the trouble and misery in me We will give the flashback of man's life when Zameer says the above line . In this scene A MAN is having arguments with his wife , she don't agrees with her husband, both looking each other with anger on their face and things like that.

Now the camera moves to zameer and he is singing this line I'll be in fields of gold, with money for my widow and 70 virgins for me.

I feel this power come over me and I feel it more than I think I should

I'm on the edge, but don't worry, I'll only be your storm to bring you sunshine.

NOTE: WE can show zameer standing, sitting or walking on some interesting places like Notre-Dame-des-Victoires it is a small church in the Lower Town of Quebec City(just wanted to tell to find some historical place) or show some beautiful places . I tried to say that it will look good if we show some of the interesting places in Canada I believe many few singers have tried it or may be not. It sounds different. Anyways the choice is yours.

In the last part of the song where Zameer sings
Oh Lord why do you make me choose?
I thought you were greater than the rest.
You know I need your help right now, but please don't ask me to kill my brothers.
Please don't tempt me with your virgins.
Please don't bribe me with your money.
Please don't ask me to murder for you.

We will show that the Man is looking strangely all over the place as thousands of pages going down from the sky . It was written *YOU HAVE BEEN CHOSEN*. Now all what he was feeling that he will be free from this mean world and my wife will get the money was wrong because The Lord is not giving all this for free he wants A MAN to do something For himand the that part of songs plays in the background(I thought..... brothers) .Now the MAN decides to live his life as he was and do not want virgins, money.....and the song ends.

And the person wakes up and look to his wife. (he did it so as he dreamed he will be free from this mean world and his widow will get the money).....
