

TERI YAAD - ZAMEER

Lyrics - Original Hindi/Urdu by Ali Hamza

Teri yaad...
Dil se na jayay teri yaad
Bhool nahin payay tera pyaar... yaar

Soona hoon mein...
Roya hoon mein saari saari raat
Khoaya mein ne kyon yeh tera pyaar.. yaar

Teray bin mein yunhi...
Kuch bhi nahin
Kyon... mein ajnabi

Kesay mein jiyoon
Teri aas mein...
Kabhi...
Tu sun le meri yeh sadaa

Mushkil hai...
Sapnon mein jeena baar baar
Dil mein basa hai tera pyaar... yaar

Mein ne...
Tujh pe kiya hai aitebaar
Dil tu ne tora mera yaar... yaar...

Dewaangi meri yeh kaisay
Hadd se barh jayay gi aisay
Mein ne kabhi na yeh socha tha.
Mein ne kabhi nahin yeh jaana tha

Teri hansee ko mein ne jaana
Teri khushi ko mein ne maana
Tujh ko hi tha mein ne paana
Jeewan tujhi se yeh sajaana tha...

Janay kyon aisay hi..
Sapnay saaray wo tootay the... meray...
Waaday saaray jhootay the... teray...
Jeeyoon mein ab isi aas mein.... yaar...

Kabhi..
Tu sun le meri yeh sada

TERI YAAD - ZAMEER

Lyrics - English Translation

[Your Memory]

Your memory.
My heart won't let go of your memory.
I will never forget your love.
My friend.

I'm so lonely.
I've cried many nights.
Why did I lose your love?
My friend.

Without you, I'm just nothing.
Why am I a stranger?
How am I supposed to live in your hope anymore?
Listen to my cry!

It's hard to keep living in my dreams.
Your love lives in my heart
My friend.

I trusted you.
You broke my heart.
My friend.

I'm going crazy and losing of control.
I never thought this would happen,
I never knew this could happen.

I got to know your smile.
I tried to make you happy.
All I wanted was for you to light up my life.

But somehow, just like that,
All my dreams were shattered.
All your promises were lies.
I'll just have to live in longing for you.

Without you, I'm just nothing.
I feel like a stranger.
How am I supposed to live in your hope anymore?

Listen to my cry!
Listen to my cry!
Listen to my cry!
Listen to my cry!

Lyrics - Zameer's Emotional Translation

[I Miss You]

You used to tell me that life must go on.

But now you lie alone, defunct and heedless.

You said that life relies on time, and time will prevail.

And then you disappeared.

But your sustenance is still etched into my mind.

Because I see you laugh before me.

And I see you cry before me.

How's that so?

I feel your hand above me.

From oblivion you cry with me.

You miss me.

Hold me close.

I'm in the dark right now.

I'm groping on the trail you left behind.

I want to feel your warmth and your eyes on mine.

I guess ignorance is not bliss all the time.

Because I miss the times you held me.

I miss the times you told me you'd be there.

I was warm in your protection.

And now you've died around me.

I need you.

I love you.

I miss you.
